Fee Paid:

Date:

Shepperton Weir is located on the Upper Thames just west of London. On Saturday 4th July they are hosting a Division 3 & 4 double slalom event.

For those not in the know, national slalom competitions are run with the approval and assistance of the British Canoe Union and operate on a system of divisions. Everyone starts by entering division 4 which is aimed at first-timers and newcomers to slalom. There are various age groups for the competition so you compete against others of a similar age.

Once you have achieved the necessary result and number of points you will then be promoted to the next division—division 3. The divisions go up to Div 1 and then Premier from which the British Team and Olympic squad are selected.

This is a one day trip.

You will need to bring:

- Warm clothing to paddle in
- Warm clothing for off the water
- A raincoat
- A Packed lunch
- Small change for drinks and snacks

The 'details form' and the 'parental consent for off-site activities form' must be returned by 1st July or you will attract a late entry fee.

Details Form

To be returned in addition to the parental consent form for off-site activities

Name: _____

Date of Birth: _____

For ranked paddlers: Bib No. _____ BCU membership No. _____

I wish to take _____ slalom kayak
